Issues

Do you know what your pupils like to do online?

Are you aware of how the online behaviour of each year group progresses?

Have there been any reported incidents in school? Is everyone familiar on how incidents should be handled?

Are you up to date with new and emerging trends?

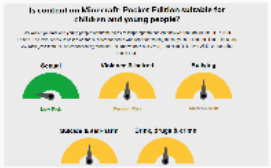
E-safety in the Computing

Sites, apps and games we've reviewed so far



Rather than trying to cover every social network out there, we're focusing on the ones kids use the most.

How we developed this guide >

Is content on Minecraft: Pocket Edition suitable for children and young people?

We asked parents and young people about the types of inappropriate content they've seen on Minecraft: Pocket Edition. The level of risk is based on the % of respondents who reported seeing these types of content. The ratings are: Low Risk (less than 5% of respondents); Medium Risk (between 5 and 25%); and High Risk (over 25%, or more than one in four).

Sexual

Low Risk

Violence & hatred

Medium Risk

Bullying

Medium Risk

Suicide & self-harm

Drink, drugs & crime

Managing your professional reputation online

Should we be on social networking sites?

Check your privacy settings regularly to make sure you are happy with them

Search your name online and check your digital footprint

Remember, privacy is key!

Respect the wishes of other colleagues on social networking sites, and those who don't have accounts

Privacy

Tweet privacy

☐ Protect my Tweets

If selected, only those you approve will receive your Tweets. Your future Tweets will not be available publicly. Tweets posted previously may still be publicly visible in some places. Learn more.

Tweet location

☑ Tweet with a location

If selected, you can add a location to your Tweets, such as your city or precise location, from the web and via third-party applications. This setting does not affect Twitter for iOS or Android. Learn more

Delete location information

This will delete location labels you have added to your Tweets. This may take up to 30 minutes.

Photo tagging

◉ Allow anyone to tag me in photos
○ Only allow people I follow to tag me in photos
○ Do not allow anyone to tag me in photos

KEY POINTS TO CONSIDER WHEN TEACHING **ONLINE SAFETY**

Remember to highlight the positives

Think carefully before you react

Recognise young people use the internet differently to adults

Create a culture of open dialogue in your classroom

Be interested, ask questions, listen to young people's views

Safer Internet day

Tuesday 5th February 2019

Together for a better internet

- Digital leaders will visit assemblies on that day.
- Activities to be completed in the classroom.
- Photograph or a piece of work from each class.

Resoures:
Staff Common -> Planning -> Computing -> Safer Internet day
