

I perceive that there is nothing better for them to be joyful and do good as long as they live:
Ecclesiastes 3:12

Curious: exploring God's creation and asking questions to find out more; through exploring we find things that could be better; bringing us closer to God by allowing us to understand better our calling – vocation; strengthening our relationship with God; developing our talents and gifts. About everything and everyone, finding evidence.

Active: working to make things better where we can; some problems we can fix. By being active we take responsibility for these tasks and look after God's creation. Using the gifts and talents that God has blessed us with. Answering our calling – vocation, in all aspects of our lives, all the time, everywhere with everyone.

Isaiah 58:10 "Give food to the hungry and satisfy those who are in need, then the darkness around you will turn to the brightness of noon."

1 Peter 4:11 "Do you have the gift of speaking? Then speak as though God Himself were speaking through you. Do you have the gift of helping others? Do it with all the strength and energy that God supplies."

Help me Jesus
Know your ways
Through the night
Through the days
Give me love
To show a friend
You're always there
You never end.
Amen

Heavenly Father,
thank you for your hand of blessing in my life.
Thank you for choosing to work through me today.
I submit myself and my resources to you.
Show me ways to be a blessing to others,
so that the earth will be filled with the knowledge of your glory,
in Jesus' name.
Amen
