Year group	Area taught	When taught	Main learning objective/outcome	New or revisited?
EYFS - Year 6	Online bullying	Start of Autumn Term	Pupils learn how to recognise bullying behaviours online, understand how online actions affect others, know how to report concerns and seek support from a trusted adult.	Revisited annually with increasing depth and age-appropriate scenarios.
EYFS - Year 6	Online relationships	Start of Spring Term	Pupils learn how to build positive online relationships, communicate respectfully and safely, recognise inappropriate behaviour and know how to get help if needed.	Revisited annually, building understanding of safe communication and responsibility online.
EYFS - Year 6	Online reputation	Start of Summer Term	Pupils learn that information shared online contributes to a digital footprint and reputation, and understand the importance of making responsible choices online.	Revisited annually with growing emphasis on digital citizenship.
EYFS - Year 6	Self-image and identity	Summer Term (End of Year)	Pupils learn how online content can influence thoughts, feelings and behaviour, and develop strategies for maintaining a positive sense of self online.	Revisited annually, exploring increasingly complex aspects of identity and influence.
EYFS - Year 6	Managing online information	Summer Term (End of Year)	Pupils learn how to search safely, question the reliability of information and make informed decisions about online content.	Revisited annually with increasing focus on critical evaluation.

EYFS - Year 6	Health, wellbeing and lifestyle	Summer Term (End of Year)	Pupils learn how technology can affect wellbeing, relationships and lifestyle choices, and how to develop healthy online habits.	Revisited annually through age-appropriate discussions and activities.
EYFS - Year 6	Privacy and security	Summer Term (End of Year)	Pupils learn how to keep personal information private, create secure passwords and identify ways to stay safe online.	Revisited annually with increasing responsibility for online safety.
EYFS - Year 6	Copyright and ownership	Summer Term (End of Year)	Pupils learn that digital content belongs to creators, understand permission and ownership, and use online materials responsibly.	Revisited annually, developing understanding of intellectual property and ethical use of content.
